

This architectural floor plan depicts a multi-room building layout. The plan includes numerous rooms, each identified by a number and its dimensions in meters (e.g., 1 23,70, 2 18,40, 3 11,60). The layout features a central corridor system with multiple stairwells, each marked with an upward or downward arrow. Several rooms are shaded in gray, including a large room in the top left (1 23,70) and a room in the middle left (2 14,60). The plan also shows various architectural details such as doors, windows, and structural columns. The overall design is symmetrical, with rooms arranged around a central vertical axis.
